

Practicum, Internship, Pre-doctoral and Post-Doctoral Training Opportunities

Water's Edge CHC offers a variety of clinical/counseling practicum and internship experiences for master and doctoral level students.

Water's Edge CHC also offers opportunities for doctoral trained individuals to complete a non-APA, non-APPIC approved pre-doctoral internship as well as post-doctoral positions.

If you are interested in learning more or applying for a training position please send a cover letter and resume to info@watersedgechc.com.

Include in your cover letter:

- 1. What school program you are currently enrolled**
- 2. When you would need the internship to start**
- 3. How many total hours of training you need**
- 4. What population/experience you are looking for**
- 5. You're your draw to Water's Edge CHC is.**

Your information will be forwarded onto our training director.
